Plan

- ◆ Since the plans are symmetric , Upload speed will be same as download speed. Both Upload and download will be accounted in calculating FUP.
- ◆ Customers subscribing to plans with speed > 100 Mbps will be provided with ONT with GE LAN port .
- ◆ Above changes shall be applicable to existing customers also.
Other terms & conditions will remain same.

FTH-1800 is closed for new booking and existing customers of FTH-1800 will continue and revised tariff will be applicable.

GST as applicable extra.

Upload speed will be same as download speed.

Service subject to technical feasibility.

Customers having more than 100 Mbps speed, modem with GE port will be provided.

Above changes shall be applicable to existing customers also.

FTH-790 and FTH-1200 closed for new bookings.

Terms and conditions apply*
